

The Performing Arts Booster Association (PABA) was created by volunteer parents to provide support to students and staff of the performing and visual arts at STHS. PABA supports over 600 students enriching their high school experience with theater, music, digital media arts & visual art. You've seen us having bake sales and basket giveaways. You've seen the advertisement section in the programs. And you've seen the results of our fundraising in the programs at STHS.

Each year, PABA provides volunteers and supporting funds for theater performances, guest teachers; student scholarships for honor bands; equipment and supplies for art and digital/media arts; trips to professional theater performances, band competitions and photography workshops - and so much more!

Fundraising opportunities during the last school year were quite limited, so this will be a critical rebuilding year. This means that your support - for which we are *always* grateful - is even more important. **Please consider becoming a member of PABA.** We have short meetings in the library on the **second Monday of each month** to organize for fundraising/volunteer opportunities at upcoming events and to hear progress reports from our awesome group of teachers.

Good news! Membership benefits this year will again include VIP seating tickets (to be used with paid admission to an event) and recognition in the ad section of the program. There will also be a giveaway prize which you will be entered to win when you start or renew your membership by **October 31**.

I love the arts! Any amount is welcome!
